PAOLI PIT STOP WHIP HOSE & Y SPLITTER(F)

Paoli Pit Stop Motorsport whip hose with Y splitter, fitted with couplers, ready to "Plug & Play".

This professional Pitstop whip hose assembly has been made out of specific requests from our customers who wanted a quality hose that could be used in pit lane or on the grid to run wheel guns, nitrogen filler units etc...

The assembly features our Motorsport couplers which are compatible with various coupler styles, and a compact, yet high flow "Y" piece, that provides uniform airflow ensuring minimal restrictions.
