TST PLUG - SERIES H

Brand: **Toku**

Product Code: **25500076**

TST PLUG - SERIES H

3/8" BSP Female Thread High Pressure FULL FLOW plug fitting with an unrestricted through bore id of 11mm for large air flow requirements. This product is not like any other quick release couplers in the market place, it has the best flow, made from quality materials, matches the "swing" couplers that feature a solid positive locking mechanism whilst delivering the best in safety with unique purge before disconnection and has a higher safe working pressure than other couplers!

This plug with its matching "swing" coupler ensures your tool or product gets the maximum amount of air it needs - making sure it performs to its intended level!

Specifications
