Quick Release Tap Bush with Clutch

Brand: Ober

Product Code: 3826427

Quick Release Tap Bush with Clutch

This part is used for fitting a tap with diameter of 18mm and square of 10mm (usually a M24 tap) to the appropriate Bush Chuck.

This is because the size of the M24 tap is too big for the range of the standard tap holders.

If you have any questions please do not hesitate to contact us.
