# SW-500 CABLED INDICATOR

**Brand: Intercomp**                    **Product Code: 500DU**

## SW-500 CABLED INDICATOR

This is the wired display indicator to be connected to the Intercomp wired scale pads for instance the SW-500 models. Supplied in a carry case!

Important NOTE: Never plug a power supply into ANY of the Intercomp Display units, the instructions clearly state not to plug in a power supply. Use ONLY installed battery for power to the unit.
