VALVE MAINTENANCE KIT

Brand: Toku Product Code: AH0002030

VALVE MAINTENANCE KIT

Valve Maintenance Service or Repair Kit for selected 3t and 6t models of the Toku Industrial Air Chain Hoists. This kit contains the most commonly required O Rings, all in a convenient kit.

Models this kit is suitable for are: TMH3000C, TMH3000PE, TMH6000C2 & TMH6000P2E. Please note this kit contains extra O Rings which are not required in some models.

See Technical Documents for a PDF showing the listed items and relevant item numbers on the Parts List so you can see if your required items are included in this kit.
