CARLIFTER SET (3PCS) AUDI R8 GT3 2016

Brand: Krontec

Product Code: CARLIFT-AUDI-R8GT3

CARLIFTER SET (3PCS) AUDI R8 GT3 2016

This is the complete set (of 3) car lifters for the Audi R8 GT3 2016 vehicle.

Set includes: one front and two rear.

These "Double Up" stands, otherwise known as "Elephant Feet", are to fit the Krontec jacks that come fitted in the vehicles and ensure they fit underneath the car perfectly.

This set fits perfectly under the vehicle, but you will have to open the diameter of the carbon floor pan where the jacks extend to fit the head of the car lifter set so it can fit through the floor pan.

For this set to fit your vehicle you should have Krontec Air Jacks already fitted (e.g. 1 x 42A011031D Front Air Jack and 2 x 42A011031D Rear Air Jacks). There may be extra letters or numbers after the series model on the air jacks. To ensure you get the right car lifters please advise your model number and serial number off the side of the air jacks at time of enquiry.

Please contact us if you are unsure if this set suits your vehicle so we can ensure that you get what need, right out of the box!
