DP192 TORQUE SERVICE TOOL KIT

Product Code: DP192TSK

DP192 TORQUE SERVICE TOOL KIT

This is a set of tools, including a Norbar accurate calibrated torque wrench and extended Allen key and adaptor to ensure the correct torque is applied to the bolts on the DP192 tool when performing any servicing.

This is a set of tools we recommend and the torque wrench can also be used for accurate torque setting of bolts and screws for damper and other specialty applications on your vehicle or equipment that require a 0-20Nm (10-180 LBF-In) force.
