DP361BG ACCESSORY KIT & CASE W/ FOAM

Product Code: DP361BGKCWSBFJNT

DP361BG ACCESSORY KIT & CASE W/ FOAM

1-1/2" Drive Super Duty impact wrench complete with Protective case featuring precision foam insert and accessories.

If you have an application requiring your tools or electronic equipment to be protected whilst in storage or transit, contact us, we can tailor a solution for you!

This SUPER Industrial Duty tool features unrivalled power, performance and durability - nothing in its range comes close! If you want a true impact wrench with the real power you expect from a 1-1/2" drive tool (Max Torque 5,933 Nm) - then this is your ONLY logical choice!

This tool is suitable for underground mining applications in Queensland!

This tool is well balanced and for better operator safety it is supplied with a hanger bolt (M8 female thread on the tool) to allow it to be used with a balancer, further adding to its safety and unique features. The hammer mechanism is a 3 Jaw system which yields high power, low vibration and excellent durability.

Whether you are above ground, underground, on a construction site or offshore, and you need high torque in a compact, very robust and durable tool then look no further.

Fully supported by Air & Allied Sales technical assistance and spare parts!

If you want the most powerful and durable 1-1/2" impact wrench in its class - this is it!
