16MM ID SWIVEL X 3/4" M/F

Brand: **Variacor**

Product Code: **DV16MFG34**

16MM ID SWIVEL X 3/4" MF

16mm ID Swivel 360 Degree in two directions with 3/4" Male x 3/4" Female BSP (parallel) threads and featuring FULL BORE Linear flow.

This 3/4" Pneumatic swivel fitting is unique in many ways. Nothing comes close to the flexibility this swivel provides, plus it does not restrict the air flow to the tool. This is achieved through its linear flow design which eliminates any sharp angles inside the swivel.

360 degree rotation on two points ensure absolutely no tangled supply air hoses and an amazing reduction of friction making the tool movement in your hand very free and easy!

There are many swivels available in Aluminium, Steel and Stainless Steel material in this range for varied applications including fuel, paint and other fluids transfer. Specialty swivels also made to order, including electrical conductivity through the swivel.

Specifications

Inside Diameter (id)	16 mm
Material of Construction	Aluminium
Thread Type	3/4" Male BSP X 3/4" Female BSP
