

NEEDLE SCALER - PISTOL GRIP

Brand: **Gatx**

Product Code: **GP-0319**

NEEDLE SCALER - PISTOL GRIP

Industrial pistol grip needle scaler has proven itself in the harshest mining environments and heavy manufacturing industry for many years.

Strong and powerful it will make light work of any large scaling applications. Made from quality components, it has many imitations but nothing lasts like this particular tool. Most parts are interchangeable with other Japanese brands sold in the market, proving the quality and standing this tool has.

Features 28 needles to a set. Needle changes are very quick and easy and quality needles are available as spare part (Part# 3mmx180mm). The comfortable grip makes this tool easy to use, especially for longer periods of time.
