DIE GRINDER KIT

Product Code: **GP-0511PW2**

DIE GRINDER KIT

1/4" Die Grinder KIT, complete with safety throttle lever and rear exhaust is a favourite with industry for performance and durability, in a competitively priced tool, but do not be fooled this tool is a great performer!

Comes in a handy carry case complete with pictured grinding stones and a 1/8" collet. Tool also features a built-in speed regulator for precise control in every application.

This tool can also be fitted with an optional extra silencer assembly (Part# G-15 or G-15B) to further reduce the noise level - an important OH&S issue!
