1/2" HEAVY DUTY REVERSIBLE DRILL

Brand: Gatx

Product Code: GP-0657

1/2" HEAVY DUTY REVERSIBLE DRILL

1/2" Heavy Duty Reversible Drill complete with Keyless Chuck, Pro Grip and Side Handle. As proven in varied industries, this product features high quality gears and internal components.

The Pro Grip makes it comfortable to use and it also serves to assist in reducing the effects from the "chill factor" normally associated with air tools. The exhaust is silenced and is directed through the bottom of the handle.

This is a high quality product at a competitive price and is supported with spare parts from stock.

This tool can also be fitted with an optional extra silencer assembly (Part# G-15) to further reduce the noise level - an important OH&S feature!
