

5" ANGLE GRINDER - CENTRAL VACUUM

Brand: **Gatx**

Product Code: **GP-3005L-50A5**

5" ANGLE GRINDER - CENTRAL VACUUM

GATX 5" Industrial Pneumatic (air) Angle Grinder c/w Safety Lever Throttle & Central Vacuum Dust Extraction.

This compact and powerful angle grinder is lightweight yet features 1.3Hp (980watt) of power!

The other very unique feature is that it has Central Vacuum Dust Extraction capabilities for our clients that need to remove as much of the grinding dust away as possible, and this is an excellent safety feature which also helps to keep the work space as clean as possible for the operator and the environment.
