HAND RIVETER

Product Code: **K25**

HAND RIVETER

Industrial Hand Riveting Tool for Blind Rivets 2.4mm - 7.8mm is supplied with 5 nose pieces.

Standard rivets Ø 7.8mm only in aluminium.

The riveting tool is also suitable for X/S Trifar high performance rivets, by assembling the nozzle part no. 71345652.

Features:

- * Integrated mandrel collector
- * Ergonomic grips designed for comfortable and safe operation
- * Lever and gear design reduces physical force required to set rivets

Compared to the previous model (K20), it defers for a remarkable reduction of the strength applied to the levers, reduced sizes and weight and the sheared nail recovery.

Made in Italy - ensures you get a quality product to last!
