KRONTEC HOSE ASSEMBLY - 0002 - 745mm

Product Code: **KHA311-0002-1**

KRONTEC HOSE ASSEMBLY - 0002 - 745mm

Krontec hose assembly for power steering line.

This Tiflex High Pressure hose and fittings assembly has a working pressure 210bar, but burst pressure of 840bar, which helps avoid any destruction from high peaks during racing.

The hose used in this assembly is an Antistatic PTFE Tube with a stainless steel outer cover. This hose has chemical resistance compatible with all fluids, being the best chemical resistance of all known materials, with usage for Fuel, oil, breather systems, and pneumatic.

This Hose assembly is also fitted with a protective firesleeve.

Pwr/S sensor to rack HP.
