1/2" BSP MALE X 1/2" BSP MALE 90° ELBOW

Product Code: PPS12BSP12BSP90MM

1/2" BSP MALE X 1/2" BSP MALE 90° ELBOW

1/2" Male BSP x 1/2" Male BSP 90° Elbow with 13mm ID Bore to maximise flow!

This is commonly used on our motorsport hoses to fit to the outside of Pit Lance Boom and allows the hoses to drop nicely to the ground when they are fitted directly to the hoses (without using quick disconnect couplers).

If using our Motorsport quick disconnect coupler on end of boom use part# CTG12BSP12BSP90MF, which has a 1/2" Male x 1/2" Female threads to accept the quick connect coupler fittings.
