22 PIN ELECTRICAL CONNECTOR SET COMPLETE

Brand: **Deutsch**

Product Code: **QR-03-ST22-SET**

22 PIN ELECTRICAL CONNECTOR SET COMPLETE

Set of Male and Female 22 pin & socket data or electrical connector for Krontec QR-03 or QR-03-22P Professional motorsport Quick Release Steering Wheel Coupling.

If you have a QR-03 without the data/electrical connectors this part fits right into it, and gives you a massive 22 points of data or electrical through your steering wheel!

This part number is for all pins, sockets, both halves of connectors, insertion-extraction tools and grub screws - all you need to make your QR-03 a QR-03-22P!

You can also purchase the male or female connectors separately and you can also get the pins or socket sets on their own as well, giving you maximum service life and flexibility look in Associated Products.

All backed up by our local stock and support.
