FUEL FILLING HOSE Ø38MM (per metre)

Brand: Krontec Product Code: RFC-38-FH

FUEL FILLING HOSE Ø38MM (per metre)

Fuel Filling and Vent hose Ø38MM (per metre).

This product is a spare part for the Krontec Refuelling RFC System and also fits Caseliner, ATL and other refuelling systems utilising 38mm ID fuel and vent hoses.

Please note this hose has a smooth outer surface providing a more secure clamping as well as sealing properties.
