GT3R-GenII Porsche Refuel Bottle+Trolley

Brand: Krontec Product Code: RFC-89-KFLGT3RGII-TR

GT3R-GenII Porsche Refuel Bottle+Trolley

Krontec RFC-89-K-FL-GT3R-Genll Refuelling coupler Straight connection c/w 25 litre bottle, including the RFC-89-Tr special design, functional trolley for 2019 Porsche GT3R.

This is specific to fit the Porsche 2019 GT3R Genll to enable easy connection due to the vehicle design in the refuelling area, and there is nothing stopping you use this on any other vehicle, in fact you may prefer this handle configuration!

This head will fit all RFC-89 and previous RFC-88 nipple fittings on the vehicles, ensuring full backwards compatability.

This product is the latest version of the Krontec RFC Refuelling system now with improved knowledge and an investment in state of the art technology, CFD and our expertise in integrated systems we have taken all of our customers feedback and have redesigned the system to incorporate the following improvements combining the best performance with reduced spillage, improving safety.

- * Reduced number of moving parts
- * Improved knowledge and capability in design and manufacture
- * Improved clearance and control to minimise spillage
- * Minimised number of joints
- * Lower friction on all moving parts due to a new high resistant and conductive layer
- * Increased flow rate by up to 10,7% due to streamlined design and CFD simulation
- * The weight of the fuel valve has been reduced by 30%
- * The 2nd Generation RFC-89 is entirely interchangeable with the original RFC-88, allowing existing customers to upgrade easily!
