

INDUSTRIAL DEMOLITION TOOL

Brand: Toku

Product Code: TCA7

INDUSTRIAL DEMOLITION TOOL

Industrial 7.2kg (15.8lb) pick/chipping hammer is lightweight and easy to handle, features an automatic throttle which is activated when the chisel/point is pressed against the job surface - Made in Japan.

The unit has few components making it simple, durable and easy for maintenance. All components are forged for long life and durability.

The unit comes with a spring retainer system which we have found provides great durability and is also competitively priced for when you have to replace it.
