7/8" HEX IND BREAKER

Brand: Toku

Product Code: TPB30 - 7/8"

7/8" HEX IND BREAKER

Industrial 15kg (33lb) Breaker - Made in Japan. This product features a swivel air inlet to stop unwanted hose twisting and is manufactured from the highest quality materials to ensure you get the best durability and performance, maximising your return on investment.

The alloy steel forged components provide maximum durability, forged latch retainer system makes for quick and easy chisel change. 4 bolt handle design allows for quick and easy servicing, this is especially handy when on site or remote locations.

The tool also features a swivel inlet to make operation and handling of the tool easier. If you are a construction or hire company, mine site or similar company looking for a solid performer with after sales technical and spare parts support from stock - this is the product for you.
